

KIAC Super 8 & 16 mm Film Policies

Rental of Super 8 Camera: \$5/day. Must be booked 24 hrs in advance.

Note: Requires 4 AA batteries. (Responsibility of the renter)

Hand processing Super 8/16mm in the darkroom: \$10/hr.

(includes use of Diafine B&W chemicals)

- Processing must be done during regular business hours and booked in advance.
- Film must not be left hanging in the darkroom.
(If film is put in a plastic bag to dry, it's actually easier to untangle once dry)
- Renter is responsible for thorough cleaning of the darkroom after usage
(including the floor).

Transfer of Super 8/16mm to video: \$15/hr.

(Includes DV camera, tripod and Super 8 or 16mm projector)

- Mini DV tapes extra: \$8; Super 8 Reels: \$3 each.
- Transfer sessions must be booked in advance and also be during regular business hours.

Film stock

We have some B&W film in stock (\$40/roll) but we urge filmmakers to order their own stock. It is also advisable to order spare reels with Super 8 film as the cartridges do not contain reels. Kodak.com or blackandwhitefilmfactory.com

Note: Prices do not include KIAC staff time. Renters should be familiar with all processes.
